

RALIA SPORTS CENTER

YOUTH AGE CHART 2015 - 2016

Ralia Sports Center follows the same age conventions as does Minnesota Youth Soccer Association. Age is determined as of August 1 of the current year.

The question to ask someone is, “How old was your child as of last August 1st?” If the answer is “12”, then this is a U-13 player. Or you can ask the month and year of the child’s birth and use the form below.
